

KINGDOM OF NORTH BARCHANT

Date.....14.08.2020.....

Treaty of mutual recognition

between the Kingdom of North Barchant and The Free Nation of New Athens

By signing the Treaty of Mutual recognition between the **Kingdom of North Barchant** and **The Free Nation of New Athens** (hereinafter the Treaty), the parties officially recognize the sovereignty and independence of the both States and establish official diplomatic and economic relations.

This Treaty establishes that the sovereignty and independence of the **Kingdom of North Barchant** and **The Free Nation of New Athens** shall not be infringed or abridged in order to further strengthen the status of any of the states.

Through this recognition of diplomatic relations, it shall be established that both states remain separate and equal independent states with regard to national legislature and foreign affairs.

This Treaty establishes relations only between the signatory States.

Both states acknowledge these relationships to be built on co-operation and perpetual peace between the states, and that the independent nationals of each of the States respect and recognize the sovereignty, laws, and conventions of the other.

This Treaty shall officially come into force immediately upon signature and ratification of the document by independent national legislative body or alternative representative bodies and heads of states.
